

**TENSIONED PROFESSIONAL ELECTROL®**

**Da-Lite's Largest Enclosed Electric Screen**

- Same great features as our Professional Electro® except the screen is tensioned for an extra flat surface for optimum image quality when using video or data projection.
- Tab guide cable system maintains even lateral tension to hold surface flat while custom slat bar with added weight maintains vertical tension.

*All fabrics will be seamless.*

*For optional remote control operation, see options on pages 50-54.*
